- Note:
1. Finished ground elevations shall be governed by Ordinance 202.29.
  2. This permit must be posted on premises.
  3. This permit may be subject to deed or plat restrictions.
  4. Footer inspection is required - call for appointment.

-----

This permit is valid for one year from date issued. You will need to re-apply for a new permit if work is not completed by \_\_\_\_\_. Also, the zoning ordinance requires that construction be inspected before occupancy or use. Approximately two weeks before you begin to use the structure, please complete the lower portion of this permit and send it to the address below.

The Zoning Administrator will perform an inspection, confirm compliance with the above permit, and send you an occupancy permit.
